THIS CERTIFICATE TO CONFIRM THAT

SalveBhushan

SRCOE, Department of Computer Engineering Pune, Maharashtra, India.

PUBLISHED FOLLOWING ARTICLE

To Design ESP32-Driven System for Soil Health and Climate Adaptive Irrigation Network Using Iot

Volume 5, Issue 2 (May-August 2026), PP 379-389.

https://www.doi.org/10.59256/indjcst.20260502042

A Peer Reviewed referred Journal

Follows UGC-CARE Guidelines

Indexing & Abstracting

Impact Factor: 6.211

Indian Journal of Computer Science and Technology

ISSN No:2583-5300 https://fdrpjournals.org/

Editor-in-chief/IndJcst
